40-49: 13 (11.0%) **90-99: 0** (0%)

HOW WE ARE SEEING COVID-19 SPREAD

In the days prior to individuals becoming sick or while experiencing symptoms, individuals reported attending:

- Family gatherings
- Community picnics
- Fundraising events
- Gatherings where people are not social distancing and not wearing masks

We are also seeing spread between positive cases and other people living in the household/living unit.
